Acknowledgement

I am grateful to Lead University, Ibadan, for their invaluable support and resources that contributed to the successful completion of this study. The school library, in particular, provided an extensive collection of relevant literature, which greatly aided my research process. I would like to express my sincere appreciation to the staff and management of Nigerian Navy Barracks, Ojo, Lagos State.

Special thanks go to my supervisor, Dr. Abideen Salako, whose guidance, expertise, and unwavering support have been invaluable throughout this research journey. Also, my co-supervisor Dr. Folahanmi Akinsolu thank you for your support and effort in the success of this project. I would also like to acknowledge Dr. Tubosun Olowolafe, the Head of the Department, for his support and encouragement. My heartfelt appreciation goes to the Provost and College Secretary of the Post Graduate College for their administrative support and assistance throughout my study.

I extend my gratitude to my Husband, Mr. Ajai Benjamin, and my Children, Andrew and Eniola Ajai, for their unwavering support and encouragement throughout this research endeavor. I am also thankful for the support and assistance received from my colleagues and friends, including Samuel, Salihu, Chiroma and Zainab. I am greatly indebted to the various writers whose writing and work I have taken helped to complete this study.

Even though the above-mentioned institution and persons have assisted in the process of this study, I alone stand responsible for the errors, if any found in the study.
