## **Acknowledgement**

My deepest gratitude to God the Almighty, Creator, Originator, the able and capable, the one and only Sustainer whose unconditional love, guidance and infinite mercies kept me all through the period of inception and completion of this research work. My sincere appreciation goes to Lead City University Management, staff of post graduate school headed by school Prof. A. Oredein, the library unit of the institution and other staff members for the opportunity given to me to undergo this programme. Writing this research work has been a truly rewarding experience, I am indeed indebted to my supervisors, Dr. Mrs. Adepoju, O.O. and Dr. Oduguwa, A. S. for thoroughly supervising this research work. I sincerely appreciate the effort of the head of the department Dr. T. M. Akinbo, and all members of staff at the Department of Management and Accounting for the show of love and their great contributions to the success of this research work. I say a big thank you all.

Furthermore, My unreserved appreciation goes to the management of my great institution, The polytechnic, Ibadan for creating a platform that has made the sponsorship of this programme possible by 'Tertiary Education Trust Fund' (TETFUND) through Academic Planning and Control Unit of the Institution.

Also, I cannot but acknowledge my family for their perseverance, understanding and constant moral support, especially my husband. You are one in a million for given me these great opportunities to accomplish this success. Thank you dear, God in his infinity mercy will make us achieve more laudable success together in Jesus name (Amen). And to my lovely son you are highly appreciated for your understanding and patience at all time. God bless you greatly. (Amen)

Even though the above mentioned institution and person have assisted in the process of this work, I alone stand responsible for the errors, if any, found in the work.
